Anne Moudy provided an update on the Exceptional Needs licensing area. The proposed committee to complete an expedited review of this licensing area will be reviewed by the Board in the near future.

The committee discussed the 2003-2004 agenda and membership. The next meeting was scheduled for February 11, 2004. The February agenda may include the review of a rejoinder from the Work-Based Learning Coordinator (W-BLC) stakeholder group. If the W-BLC rejoinder comes forward, Shawn Sriver will also invite testimony from IDOE and IAAVD. It was recommended that Mike Rokicki and Lana Jo Whicker be contacted before the February meeting to determine if they wish to continue as members of the Licensure Review Committee.
